The Wise Old Owl –
A Story About Listening

A big old tree stood in a forest. An owl, wise and old, sat quietly on a branch.

Day and night, the owl saw animals talking and chattering noisily. But the owl remains

An old owl lived in a large oak tree, observing everything around him in silence.

From his perch, he saw cheerful children playing and a farmer working hard in his

The Wise Old Owl

There once was a wise old owl who lived in an oak tree.

He saw and heard everything that happened in the forest.

Endlessly curious,

the owl would watch and

Then, one day, the owl began to give advice to the animals. They all listened in awe.

Moral: Wisdom comes from listening
